Summer 2016
NR 220-Natural Resource Ecology & Measurements at the Mountain Campus

Session 1  May 16 - June 10 [001-50702 & L01-50704]
Session 2  June 13 – July 8 [002-50703 & L02-50705]
Session 3  July 11 – August 5 [003-56271 & L02-56272]

Prerequisites:
BZ 110 & 111 or BZ 120 or LIFE 103; MATH 118 or MATH 141-161 or MATH 229 or higher
(LAND 220/LIFE 220, LIFE 320, F 210, and/or BZ 223 are useful but not required)

Catalog description:
Ecology of Rocky Mountains ecosystems. Basic measurements and integrated management of
natural resources. Residence at The Mountain Campus required.

Grading:
Traditional letter
Credits: 5

REGISTRATION PROCEDURES
1. Registration will occur through RamWeb. Registration for summer courses begins March 22 at noon.
(Make sure you choose the Summer Session as RamWeb may default to Fall semester.)

2. Registration priority:
   Students with a:
   Fish, Wildlife, and Conservation Biology major,
   Forestry major or minor,
   Rangeland Ecology major
   Ecosystem Science and Sustainability major
   Watershed Science major
   Natural Resources Management major
   Natural Resource Recreation and Tourism major
   
   Registration period
   March 22 - March 25

   Open enrollment
   March 25 -

3. The waitlists will be active, so put yourself on a waitlist through RamWeb if your desired section is full.

4. If you are a graduating senior and are unable to register, contact your advisor for other options.

5. In early May, the $962 room and board charge will be posted to your student account by Mountain Campus
Housing and Dining Services. Contact Seth Webb (seth.webb@colostate.edu) at the Mountain Campus office
with questions about Housing and Dining.

7. See the NR 220 web site for information (http://warnercnr.colostate.edu/home/resources/pingree-park)

* Includes general, university technology, and university facility fees.

CSU Office of Student Financial Services determines eligibility for all financial aid (http://www.sfs.colostate.edu).

---

Please note:
For financial aid purposes, 6 credits is considered full time for the summer. Some students may be seeking a 1-credit course to reach the 6 credit level. Dr. Paul Doherty (paul.doherty@colostate.edu) will offer FW 111 (Basic Outdoor Skills in FWCB) as a 1-credit option. There will be two sections of this class and one section will meet the weekend between NR 220 sessions 1 and 2 and one will meet between NR 220 session 2 and 3. Contact Paul for details. Students may also speak with their advisors about possible independent study credit.

Two Resident Assistant (RA) positions are available for each session. Contact Seth Webb at 970-491-4747; seth.webb@colostate.edu.

NR 220 is a prerequisite for many junior-level courses in the Warner College of Natural Resources. See your respective department/advisor for details.

F 230 will be May 30- June 12; prior to Session 2 of NR 220. For more information about F 230, please contact Rocky Coleman (100 Forestry; 970.491.0710; rocky.coleman@colostate.edu)
