

Warner College of Natural Resources  
 Department of Ecosystem Science and Sustainability  
 \*Guide applies to first two years of study\*

**MAJOR IN WATERSHED SCIENCE**

This guide has been developed to assist Front Range Community College (FRCC) students applying to Colorado State University (CSU) to complete a bachelors degree in the Warner College of Natural Resources (WCNR). While this guide provides gtPathways course equivalency information for CSU and FRCC, final approval of transfer coursework will be made by the CSU Registrar's Office and WCNR departments. Following the guidelines does not guarantee admission to CSU or WCNR. If you have questions, contact the WCNR Director of Undergraduate Programs, Ethan Billingsley, at [ethan.billingsley@colostate.edu](mailto:ethan.billingsley@colostate.edu) or 970.491.4994.
