

PETITION FOR SUBSTITUTION OR WAIVER
 Colorado State University
 Department of Fish, Wildlife, and Conservation Biology

Student Name: _____

Email Address: _____

CSUID#: _____

Date: _____

NOTE: The Fish, Wildlife, and Conservation Biology Department makes determinations of **transfer** course equivalencies **for courses that apply to Fish, Wildlife, and Conservation Biology Program Requirements ONLY**. For other **transfer** course equivalencies (i.e. AUCC), contact the Transfer Evaluation Office, phone 491-7147, 203 Admin Annex.

THIS FORM IS USED FOR 1 OR MORE SUBSTITUTION/WAIVERS. Incomplete forms will not be processed. Submit petitions for substitution/waivers within the **first 2 semesters** of entering the major. Enter **“required”** course(s) info and **“proposed”** course info (the course used as a substitute). Use additional lines if more than 1 course is used as a substitute.

For waivers (rarely approved), enter **“WAIVED”** under proposed substitute. Waiving a required course **DOES NOT** lower the total credits required for graduation. Advisors **CANNOT** waive AUCC requirements.

For each substitution/waiver, provide an explanation for the request in the space below. Meet with your academic adviser to discuss approval of this substitution/waiver. Return the approved form to dept office.

REQUIRED COURSE			PROPOSED SUBSTITUTE		
Course #	Title	Credits	Course #	Title	Credits
