

Summer 2019

NR 220-Natural Resource Ecology & Measurements at the Mountain Campus

Session 1 **May 20 - June 14** [001-50702 & L01-50704]

Session 2 **May 20 - June 14** [002-50703 & L02-50705]

*Note Session 1 and 2 will be taught concurrently

Session 3 **June 17 – July 12** [003-56271 & L03-56272]

Session 4 **July 15 – August 9** [004-57255 & L04-57256]

Prerequisites:

BZ 110 & 111 or BZ 120 or LIFE 103; MATH 118 or MATH 141-161 or MATH 229 or higher
(LAND 220/LIFE 220, LIFE 320, F 210, and/or BZ 223 are useful but not required)

Catalog description:

Ecology of Rocky Mountains ecosystems. Basic measurements and integrated management of natural resources. Residence at The Mountain Campus required.

Grading:

Traditional letter

REGISTRATION PROCEDURES

1. Registration will occur through RamWeb. Registration for summer courses begins March 26 at noon. (Make sure you choose the Summer Session as RamWeb may default to Fall semester.)
2. The waitlists will be active, so put yourself on a waitlist through RamWeb if your desired section is full.
3. If you are a graduating senior and are unable to register, contact your advisor for other options.
4. In early May, the \$1070 Mountain Campus room+board+services charge will be posted to your student account by Mountain Campus Housing and Dining Services. Contact Seth Webb (seth.webb@colostate.edu) at the Mountain Campus office with questions about Housing and Dining.
5. Attend MANDATORY orientation on Apr 24, 2019 from 5:30-6:45 pm in Clark A101.
6. See the NR 220 web site for more information (<https://warnercnr.colostate.edu/csu-mountain-campus/>)

WARNER COLLEGE OF
Natural Resources

Colorado State University

2019 NR 220 ESTIMATED COSTS

Summer 2018 Tuition (5 cr.) and fees*	\$2,376.07‡	\$7066.57
Differential Tuition for Juniors & Seniors	\$275.00	\$275.00
Special Course Fee	\$67.67	\$67.67
Mountain Campus Room+Board+Service charges**	\$1070.00	\$1070.00
Total for Fresh./Soph.	\$3,513.74	\$8204.24
Total for Junior/Senior	\$3,788.74	\$8,479.24

‡ This amount is minus \$425 College Opportunity Fund stipend (see <https://financialaid.colostate.edu/base-tuition/>)

* Includes general, university technology, university facility, and university alternative transportation fees.

** This charge will be assessed to your student account by Housing and Dining Services

CSU Office of Student Financial Services determines eligibility for all financial aid (<http://www.sfs.colostate.edu>).

Please note:

For financial aid purposes, 6 credits is considered full time for the summer and some students may be seeking additional credits to reach this amount. Dr. Paul Doherty (paul.doherty@colostate.edu) will offer FW 111 (Basic Outdoor Skills in FWCB) as a 1-credit option. This class will meet online and at the Mountain Campus (MC) June 15-16. This is the weekend between the first and second 4-week summer sessions. Contact Paul for details. Other options: - Dr. Ken Shockley (kennethshockley@gmail.com) will be offering PHIL 345 (Environmental Ethics CRN 57274) for 3 credits at the MC June 17 - 30. F 230 will be offered June 17 - 30; contact Rocky Coleman (rocky.coleman@colostate.edu) about F 230. **You cannot take PHIL 345 and NR 220 or F 230 and NR 220 concurrently.** Students may also speak with their advisors about possible independent study credit.

Please see the Frequently Asked Questions (FAQ) on the WCNR Mountain Campus website for other information (<https://warnercnr.colostate.edu/cs-mountain-campus/>). If you can't find the answer to your question, contact Paul Doherty (below).
