

HUMAN DIMENSIONS OF NATURAL RESOURCES

Prospective Transfer Workbook

Human Dimensions of Natural Resources | Natural Resource Tourism

HUMAN DIMENSIONS
OF NATURAL RESOURCES
COLORADO STATE UNIVERSITY

What is Human Dimensions of Natural Resources?

Students in the HDNR degree gain skills to see a conservation issue through the eyes of varied stakeholders, to understand perspectives of an issue that may be different than their own, and how to work effectively with others in order to collaboratively address environmental issues.

Students in HDNR acquire the skills to envision a desired conservation outcome, and then design a plan and identify the steps needed to help that outcome come to fruition. The HDNR degree prepares students for a variety of jobs in conservation, with an emphasis on jobs that require strong interpersonal skills, leading others, and collaborating with people with diverse insights and opinions. These skills are transferable to a wide gamut of conservation jobs, such as an outdoor education instructor, park ranger for a protected area, or an associate with an environmental planning firm.

To view how courses will transfer to CSU, please go to: www.transferology.com. A student may apply 64 transfer credits from a regionally accredited 2-year institution toward their degree at CSU. There is no limit on the amount of credit that can be transferred from a regionally accredited 4-year institution. Only coursework completed with a grade of C- or better will be accepted in a transfer. Transfer grades and credits are not computed within the cumulative GPA earned at CSU. If coursework presented for transfer is over 10 years old, the academic department will need to review it for applicability towards degree requirements. Students must complete 42 upper-division (300-level or higher) credits, at least 30 of which must be taken at CSU, to earn a CSU degree.

Before You Transfer

1. Review your major options online at <https://admissions.colostate.edu/academic-programs/>. If you are interested in learning more about the major programs in Warner College of Natural Resources, set up a time to talk with Jake Aglietti (jake.aglietti@colostate.edu).
2. Consider making a visit to CSU and/or WCNR. You can schedule a visit to campus at: <https://admissions.colostate.edu/visit-campus/#transfer>.
3. Review how your coursework will transfer to CSU: www.transferology.com.
 - If you are transferring credit from a school outside of Colorado, you may request a Tentative Transfer Credit Evaluation with the Transfer Student Center once you have selected a major program. This evaluation will inform you of how your credits will work with your selected major. Please contact the Transfer Student Center at (970) 491-1858 or via the Transfer Student website through Admissions: <https://admissions.colostate.edu/transfer/>.
4. Apply for admission to CSU: <https://admissions.colostate.edu/apply/transfer/>.

CSU has a number of statewide articulation agreements and approved transfer guides. To view the agreements that are currently approved at CSU, please visit: <https://registrar.colostate.edu/transfer-credit/agreements-guarantees/>.

After You've Been Admitted... Welcome to Warner!

1. Confirm your offer of admission and pay or defer your enrollment deposit.
2. Sign up for Ram Orientation. All transfer students are required to attend Ram Orientation. At Ram Orientation, you'll meet with your assigned WCNR major advisor and register for classes. Be sure to complete any placement requirements prior to attending Ram Orientation.
3. Submit your final transfer transcripts to CSU prior to orientation.
4. If you have examination credit (AP, IB, etc.), please make sure to send your test scores from the testing agency directly to CSU prior to orientation. AP/IB test scores cannot be transferred from your previous institution to CSU and must be sent directly from the testing agency.
5. Complete your financial aid and health records requirements. Information about WCNR scholarships is available at: <https://warnercnr.colostate.edu/scholarships-and-fellowships/>.
6. Connect with Warner online:
 - Twitter – @warnercollege
 - Instagram – csuwarnercollege
 - Facebook – <https://www.facebook.com/WarnerCollegeofNaturalResources/>
7. If you're admitted for the fall semester, plan to attend Ram Welcome to connect with other WCNR students and kick off the start of a new academic year!
8. Students who transfer to CSU from a Colorado Community College before earning the Associates degree should use the "Reverse Transfer" process to earn the Associates degree from their previous institution: degreewithinreach.org
