

WCNR Mountain Campus Summer Session Information

Welcome to the Mountain Campus of Colorado State University! Since 1916, the campus has provided facilities and natural resources for the education of students from all over the world. This packet is intended to help you prepare for the living/learning environment at the Mountain Campus. We look forward to seeing you this summer!

Housing

Housing will be in Student Cabins. Assignments are made in Canvas prior to arrival or upon arrival on a first-come, first-served basis; *subject to change.

The cabins are popular with students despite their rustic nature. Although you will find them to be spartan at times, they provide a congenial atmosphere. You will be sharing the cabin with three others (men and women are not housed in the same cabin). Space will be at a premium, be considerate of how many personal items you bring.

Adjacent to the cabins are the shower/restroom facilities. These are modern and are comfortably heated. The cabins themselves are insulated and are heated by an electric wall heater and a wood-burning stove (which you safely maintain) if the weather turns cold. Good, warm bedding is essential. A laundry facility is also adjacent to the cabins and has a limited number of washers and dryers available for your use. Please bring biodegradable, low phosphate detergent.

We ask for consideration in the volume of music to preserve the academic and pristine natural environment. A small refrigerator is provided. Study lamps are desirable.

Note **Pets and firearms are not permitted**

Location

The Mountain Campus is 16 miles from the paved Highway 14. The nearest country store/restaurant/bar is 40 minutes away (22 Miles). The nearest large stores are in Fort Collins (53 miles, 1 ¾ hours away). Students who are prepared for the physical remoteness will find that it can greatly enhance the community and group spirit, adding to the positive atmosphere of campus. However, those trying to maintain daily relationships with friends or relatives are often frustrated, especially since the phone and internet service is difficult to use. *Plan on writing letters or postcards and encourage your friends and relatives to do the same. Emergency communication is seldom a problem with the campus phone. Residents need not worry if they have forgotten an incidental item or two, as most urgently needed items are sold in the campus store during evening hours. **There is no cell phone service at the Mountain Campus and internet connectivity is very limited.**

Phone Number

(970) 881-2150. Phone has limited access; please ask friends and relatives not to call from 10:00 p.m. to 7:00 a.m. unless it is an emergency. We will not accept any collect calls made to the Mountain Campus. There are pay phones located on the campus for outgoing calls, 24 hours per day, and a courtesy phone in the Main Office available for brief use 7am-7pm.

How to Reach CSU Mountain Campus from Fort Collins

To reach the Mountain Campus, go north on U. S. 287 to mile marker 22. Turn west on Highway 14 going up Poudre Canyon. Stay on Highway 14 to mile marker 96, which is the turnoff for the Mountain Campus (Pingree Park Road/County Road 63E). Turn south across the bridge and drive on a gravel road for 16 miles to reach the Mountain Campus. Visit our website at www.mountaincampus.colostate.edu for more detailed directions and driving maps.

Dining Services

The dining service at the Mountain Campus tries hard to satisfy individual tastes while serving large numbers of people in a location that requires everything to be delivered over the long and bumpy roads. Residents are entitled to 3 meals per day during their stay, if eaten in dining hall or taken out as a sack lunch. No refunds or arrangements are made for missed meals. Residents may often have seconds, although we encourage diners not to waste food. The menu is varied and includes a variety of fresh fruits and vegetables in addition to popular entrée items. Monday through Friday lunches will be sack lunches due to the field work of the program. Saturday and Sunday lunches are in the dining hall. The dining hall is not open during non-meal hours, and food generally cannot be purchased from the kitchen for odd hour snacks, but a selection of snacks are for sale in the evenings at the campus store.

Guests

You are allowed to have guests during your stay at the Mountain Campus, but their visit must be limited to 48 hours and guests are not permitted on quiz or exam days, or the preceding night. There is no guest housing available, so you should plan on housing them in your cabin/room. Guests are expected to abide by the Mountain Campus regulations, University policies and State law. All visitors need to purchase a meal ticket to eat in the dining hall. Meal tickets can be purchased for your guests at a reduced rate from the general meal ticket price.

Recreation

The most enjoyable part of the Mountain Campus experience revolves around social and recreational opportunities. Lifetime friendships are often cultivated during late night study sessions or on the volleyball court. The relationship between students, staff and other Mountain Campus users is traditionally open, friendly and informal.

Recreational opportunities on campus include volleyball, softball, marmot toss, basketball, table tennis, table shuffleboard, foosball and billiards. The most popular recreation revolves around the natural resources of the U.S. National Forest, Wilderness Areas and National Park, which virtually surround the campus. Hiking, fishing, backpacking, outdoor photography, mountaineering and drawing are just some of students' choices of recreation.

Weather

While there will be days when you will attend class in shorts and t-shirts, it is not uncommon to have days of cold rain, hail and even snow. The NR 220 course operates no matter what the weather so some warm clothing (*for winter conditions*) should be brought for the session. We hope you'll seldom have to use them and the beauty of the area during nice days often helps you forget the stormy ones.

Conferences

The summer educational programs for university students continue to be a major mission of the campus, yet you will not be alone during your stay. The Mountain Campus is also home to an extensive conference facility and program. There will often be groups of 20-180 people sharing the campus facilities. This conference program greatly enhances the use of the campus and its missions of continuing education and community service. Perhaps more essential to the perspective of the student, these programs greatly increase the financial efficiency of the facility and allows for the management of your program at the lowest possible cost to you. The daily charge to conferees includes additional services but generally averages over 250% of what you pay. Please be conscientious and courteous in your interactions with other campus guests.

Campus Policies

Residents and guests are expected to conform to Federal, State Law and University Policies including those concerning pets, firearms, alcohol, illegal drugs, and tobacco products. Failure to do so shall result in eviction, University discipline, and/or prosecution. **Policies are listed on the following pages in this document.**

PERSONAL SUMMER EQUIPMENT LIST

Personal equipment is furnished by the individual and the University is in no way dictating what the resident shall bring. It is felt, however, that this list may be of help to residents in deciding what to bring to the Mountain Campus. The nights are cold at the high altitude (9,000 feet) and every year some residents bring insufficient bedding. Also, remember thunderstorms are frequent in the area and it is possible that snow will fall during your stay. **Bedding and towels are NOT provided by the Mountain Campus, students must bring their own.**

Respect and consideration for the rights of others must receive priority over other needs. Each resident is expected to respond appropriately to requests from staff, faculty, and fellow residents concerning behavior which does not honor this expectation. Failure to respond shall be grounds for eviction from the Campus, University Discipline, and/or legal action.

Questions about the Campus policies, procedures or services should be directed to the Mountain Campus Director or applicable staff. Colorado State University does not discriminate on the basis of race, age, creed, color, religion, national origin or ancestry, sex, gender, disability, veteran status, genetic information, sexual orientation, gender identity or expression, or pregnancy and will not discharge or in any other manner discriminate against employees or applicants because they have inquired about, discussed, or disclosed their own pay or the pay of another employee or applicant. The University complies with the Titles VI and VII of the Civil Rights Act of 1964, as amended, related Executive Orders 11246 and 11375, Title IX of the Education Amendments Act of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, Section 402 of the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, the Age Discrimination in Employment Act of 1967, as amended, The Pregnancy Discrimination Act of 1978, Americans with Disabilities Act of 1990, the Civil Rights Act of 1991, the ADA Amendments Act of 2008, the Genetic Information Nondiscrimination Act of 2008, and all civil rights laws of the State of Colorado. Accordingly, equal access and opportunity in treatment, employment, admissions, programs and activities shall be extended to all persons. The University shall promote equal opportunity and treatment in employment through a positive and continuing affirmative action program for ethnic minorities, women, persons with disabilities, and veterans.

ALCOHOL, MARIJUANA, DRUG, & SMOKING POLICY

Residents, Visitors, and their Guests at the CSU Mountain Campus are expected to conform to standards of conduct which are consistent with the educational objectives and priorities of Colorado State University. Those persons shall abide by state law, University, and Mountain Campus policy. Respect and consideration for the rights of others must receive priority over other needs. Each person is expected to respond appropriately to requests from staff, faculty, and fellow residents concerning behavior, which does not honor this expectation. Failure to respond shall be grounds for eviction from the campus, University discipline, and/or legal action.

Colorado State Law:

Alcohol: Residents, Visitors, and their Guests at Colorado State University's Mountain Campus are expected to comply with state laws regarding the purchase and consumption of alcoholic beverages. The legal drinking age for all forms of alcoholic beverage is 21 years of age.

Marijuana: Recreational marijuana use, possession, and distribution is a violation of University Policy. These activities are illegal for persons under 21; for those 21 and older, these activities cannot occur on any University property. In addition, marijuana obtained from medicinal purposes cannot be stored or used on campus.

Illegal Drugs: The possession, use and/or consumption of illegal drugs are prohibited.

Smoking and Vaping: In November 2018 the Governor of Colorado issued an executive order banning tobacco on all grounds owned or leased by the state under control of the executive branch. For that reason, Colorado State University and all grounds under the control of the university (including the Mountain Campus) are smoke-free, vape-free, and tobacco-free.

Specific Guidelines:

1. Smoking, vaping, and tobacco are prohibited at the CSU Mountain Campus.
2. If residents choose to drink alcohol they are expected to do so legally and responsibly.
3. Residents, Visitors, and their Guests will be held accountable for their behavior and are expected to show respect for others, quiet hours, and University property.
4. Alcohol may be consumed by persons of legal age only in the confines of their rooms or cabins or at sanctioned events held within designated areas.
5. No open containers of alcohol are permitted in or around the Mountain Campus in places other than rooms, cabins, or sanctioned places and events. A container is considered open once the manufacturer's seal has been broken. No alcohol is permitted in the Dining Hall, classrooms, and outdoor amphitheaters.
6. In order to sponsor an event where alcohol is served sufficient quantities and quality of food and non-alcoholic beverages must be served. No kegs are permitted.
7. Sponsors of any event are responsible for the behavior of all the participants (incited or not) and for the facilities used. Any cleaning, repair or replacement costs incurred as a result of the event will be charged to the sponsors.
8. The sponsors of a social event could be held liable in a civil suit if state or local laws are violated (i.e. supplying alcohol to persons underage and/or supplying alcohol to an intoxicated person) particularly if harm comes to any person as a result of these actions.
9. A violation of this alcohol policy or state law will result in appropriate action including eviction, University discipline, prosecution, or other action deemed necessary.
