RAMready

RAMready for Fall Semester 2020

Your RAMready checklist outlines the steps you need to complete in order to enroll at Colorado State. If you have questions at any point, [contact your admissions counselor](#)

- Admissions**  
We've got news for you! [Check your application status](#) and then complete Registration Ready (when available) to complete your next steps to enroll.
- Housing**  
If you are interested in living on campus (halls or apartments) please visit [Housing and Dining Services](#) to view housing options and submit an application.
- Orientation**  
You are a returning student and not required to attend orientation, although it is encouraged for students who have been away from CSU for over three years.  
  
If you wish to attend another Orientation, please contact the Orientation and Transition Programs office at (970) 491-6011 work with staff on which session would be best for you. Be sure to let them know you are a returning student!
- Health Network**  
Please see [Health Network](#) for items to be completed for RamReady.
- Create My Math Plan**  
[Create my Personalized Mathematics Plan](#)  
All majors at CSU include at least one mathematics or statistics course (for a total of three credits) to graduate. Create your Personalized Mathematics Plan to view the math or statistics course(s) for your major (or majors of interest) and to determine whether you should complete the Math Placement process before Ram Orientation.

Additional Information for New Students

- Placement Exams**  
You may need to take [placement exams](#) before you can register for classes. Learn more and see your [scores](#).
- University Email Account**  
After you are admitted, important information about financial aid, scholarships, advising, registration, and more will be sent to your university email account. Log into your university email using your eID at <http://mail.rams.colostate.edu>. You are expected to check that account regularly or if you prefer, [forward your email](#) to another account.
- Records Access Using FAMweb**  
You may [grant access](#) to your student records to your parent(s)/guardian(s), other family members, or non-family entities, and they will be able to view only what you select via [FAMweb](#).
- New Student Survey**  
Please complete the CSU New Student Survey by the September deadline. Watch for an email to your student email account.
