Liability Information:

We require full disclosure of your current health. The information you provide may assist people in the event of an accident. Therefore, please read it carefully; full and accurate completion of all sections is very important. The information otherwise shall be kept confidential between the instructors and health care professionals in the event of an accident. We do not use this information in evaluating your ability to participate in any activities. Only qualified health professionals can make that decision. If you are at all concerned about your ability to participate in any aspect of the activity, please seek the advice of a health care professional. By completing this form, you are acknowledging your awareness of the information above.

You are planning to participate in an activity, which has inherent risks. By reading and signing this form, you agree to hold harmless the Department of Geosciences, Colorado State University, Board of Governors of the Colorado State University system, as well as its employees and assigns, from any and all liability for injuries that are incurred or that may be incurred by you or your property as a result of delay in receiving professional medical attention.

This information is current to the best of my knowledge. I will inform the course leaders of any medical issues that may arise during the course.
